## REPORT OF THE SCHOOL BOARD.

---

The school board of Moultonborough submits the following:

The last session of the Legislature changed the law relating to the school year, so that the present fiscal year of the school districts, beginning February 16, 1917, does not end until August 31, 1918, making the scholastic and fiscal year end at same date.

Because of this change, the board has deferred making the usual statistical and other report until the close of the year.

In accordance with the requirements of the law, we submit estimates as follows:

For high school tuition,	\$250.00
